TO: Parking Advisory Board
FROM: Anna Gilligan
SUBJECT: Update on Parking Changes
DATE: 09/22/25

Tap-to-pay

As of the June 2025 Parking Advisory Board meeting, 439 of 660 meters had been upgraded to fix the tap-to-pay option on the meters. As of September 16, 526 of the meters have been upgraded. This is under warranty, so there is no cost associated. We're sending them back for the upgrade in conjunction with other routine repairs.
